Depending on their performance in these attacks and defenses, you will get or lose the trophies every day. In each attack, he can get up to 40 trophies, but in each defense he can also lose up to 40 trophies. Trophy trophy is about patience because it has to wait hours for an attack above 5,500 trophies. Yes, you can have up to 6 builders in your domed village! To get more details about this builder, how to unlock and how to travel to Master Builder, check the new Otto.Practice modenow tutorial There are three options for attack in your main town: a single player (Goblin maps), multiplayer and the Practice mode. In the new Practice mode, you can train new attacks, trial troops and Heroes. This is now fixed with the Glider Hog! The Glider Hog is a single-purpose flight unit that is directed to the defenses. This is huge, I really say it seriously, this will change the game in a big way. The new Legend League presents a new pairing system that should end the problem of the cloud, when a player wants to attack the upper leagues, but the game can't find enemy villages. I could go as soon as tomorrow, but I could Take a few days. Once you hit a defense, it is stunned for a few seconds. Once it is destroyed, it will automatically decrease from the glider and act as a normal pork rider. For more details and complete Statistics on this new troop, check the Hog Glider page. The Builder Base Level 18 Troopsall Builder Base Troops can now be updated at level 18 in the new Star Laboratory of Level 9. This makes it possible to overwhelm a queen for example. Changes in the balance of the base of the books The costs of the wall rings for the segments of the wall of the base of the builders have been reduced. The points of use of all BH8 level buildings have been Slightly in 4-5% Misc Giga Tesla Updates, Gear-Ups And the builder's base army camp are now affected by the Perks.Shovel Builder Boost Obstacles can now be used to move the bot car. However, all troops and formations are already pre-made so you don't have to spend resources on them.As you unlock new Town Hall levels and Troops, new army formations will be added automatically to the Practice Mode. This new Magic Item has the power to speed up your Lab Research by 10x for an hour!League Shop ChangesChanges on the prices of Magic Hammers on the League Shop have been announced: Training Potions will be available for 10 League MedalsResearch Potions will cost 20 League MedalsBuilder Potions will now cost 30 League Medals.Magic Hammers CooledownWe know the Magic Hammers are the most powerful items on the game, they are capable of start (without resources) and finish an upgrade.The only way to obtain them is through the League Shop. Yes, you will have a second Builder at the Builder Base!But that's not all. All we know for sure it that this is the June update, so well, it will be released this month.New Legend LeagueThis is the biggest change to high level players. Here are the stats.New Builder Base Defense: Lava LauncherThe Lava Launcher is a very long range defense that hurls slabs of molten rock and sets that ground on fire!Once the troops run over the area affected by the molten rock they will take damage for a certain length of time.As you can see, the Lava Launcher range is massive! And what about the dead zone on the center? This is very frustrating because you want to play the game but can't because the matchmaking is broken.Once you reach 5,000 Trophies you can opt-in on this new matchmaking system. It's a fair trade. You will be able to make 8 attacks every day without having to wait at all for the matchmaking.On the other hand, your village will also be attacked 8 times.
